

REQUEST FOR AIRFIELD AND AIRSPACE CRITERIA WAIVER

The proponent agency is ANG/CE. The prescribing directive is ANGETL 04-01.

SECTION I. (To be completed by installation Civil Engineering)		WAIVER NUMBER:	
TO		FROM	
1. ACTION REQUESTED BY BASE			
<input type="checkbox"/> NEW WAIVER (<input type="checkbox"/> Permanent <input type="checkbox"/> Temporary)		<input type="checkbox"/> AMENDMENT TO PERMANENT	
<input type="checkbox"/> CANCELLATION		<input type="checkbox"/> RENEWAL/EXTENSION <input type="checkbox"/> OTHER:	
2. CRITERIA TO BE WAIVED			
REGULATION/MANUAL		TABLE NUMBER, PARAGRAPH, CATEGORY, ITEM, ETC.	
<input type="checkbox"/> AFMAN 32-1013 <input type="checkbox"/> AFI 32-1044 <input type="checkbox"/> AFI 32-1042			
<input type="checkbox"/> FAA AC 150/5300-13 <input type="checkbox"/> UFC 3-260-01 <input type="checkbox"/> OTHER:			
3. DESCRIPTION OF WAIVER (Include as much as possible in graphic form. As a minimum, locate the violation on 8 1/2 x 11" sheet, modified to show location of all existing waivers. Depict obstructions protruding into transitional slopes in a graphic manner. Provide the type of equipment to be installed which will violate criteria. For temporary waivers, include period waiver is to be in effect. For waivers to airfield marking or lighting, illustrate the change being requested.) (Continue on reverse or separate page and identify by item number.)			
4. JUSTIFICATION OF WAIVER (Explain why the criteria needs to be waived. Operational concerns which bear on a violation should be discussed.) (Continue on reverse or separate page and identify by item number.)			
5. CORRECTIVE ACTION (Describe the proposed corrective action/safety precautions which will be taken to minimize hazards. These precautions would include items such as special printing or lighting or obstructions, briefing programs to flying personnel and/or construction crews on safety and procedures for foreign object detection and control.) (Continue on reverse or separate page and identify by item number.)			
PROJECT NUMBER		PROJECT COST	
PROJECT YEAR			
6. INSTALLATION COORDINATION AND APPROVAL (Initials and Date)			
BASE CIVIL ENGINEERING		BASE OPERATIONS	
BASE SAFETY			
7. ATTACHMENTS: 1. OBSTRUCTION LOCATION PLAN 2. OBSTRUCTION SITE PLAN 3. DD FORM 1391 4. OTHER			
SECTION II. COORDINATION/CONCURRENCE IN GRANTING WAIVER (To be completed by ANG) (Initials and Date)			
TERPS (C4AT)		OPERATIONS (XOO)	
SAFETY (XOS)			
CIVIL ENGINEERING APPROVAL			
<input type="checkbox"/> NEW WAIVER (<input type="checkbox"/> Permanent <input type="checkbox"/> Temporary)		<input type="checkbox"/> AMENDMENT TO PERMANENT	
<input type="checkbox"/> CANCELLATION		<input type="checkbox"/> RENEWAL/EXTENSION <input type="checkbox"/> OTHER:	
WAIVER TYPE		PERIOD	
DATE	NAME AND TITLE OF AUTHORIZING OFFICIAL	SIGNATURE	

NOTE: Every precaution will be taken to minimize hazards created by this deviation from standard criteria.

CONTINUATION (If necessary)
