AIR NATIONAL GUARD ADMINISTRATIVE ORDERS

This instruction explains how administrative orders are written, reproduced, and distributed. It applies to Air National Guard (ANG) units and members as well. Authority: Title 10 USC 8013; Title 5 USC Chapter 57, Subchapter 1; Authority: Title 10 USC 8013; Title 5 USC Chapter 57, Subchapter 1; and Executive Order 9397, 22 November 1943. The Integrated Automated Orders System (IAOS) is the Air National Guard standard computer generated orders system. Units with IAOS capability will create all orders that are available within IAOS. Air National Guard units are encouraged to submit recommended changes to this instruction.

SUMMARY OF CHANGES

This revision incorporates decentralized management and publication of administrative orders as directed by the Air Force; identifies the orders issuing or approval authority as the orders authenticator; and adds a list of Office of Primary Responsibility (OPR) for orders.

**1. Applicability.** Only those portions of AFR 10-7 and AFI 37-128 as addressed in this instruction apply to the Air National Guard. If a conflict exists between this instruction and other parts of AFR 10-7 or AFI 37-128, take the action deemed to be in the best interest of the ANG and notify ANGR/SCOS.

**2. Terms Explained:**

**2.1. Active Duty (Title 10, USC).** Any period of voluntary or involuntary active duty under Title 10 USC that exceeds 139 days and is performed in direct support of an Air Force mission, and as further defined in NGR (AF) 50-1.

**2.2. Active Duty Training (Federal Status-Title 10, USC).** Voluntary active duty to receive training that cannot be provided during annual training (AT), inactive duty training (IDT), initial active duty for training (IADT), formal school tours, Professional Military Education (PME), or technical training, and as further defined in NGR (AF) 50-1.

**2.3. Full Time Training (State Status-Title 32, USC).** Training or other duty, with or without pay, authorized for members of the ANG as defined in NGR (AF) 50-1. It includes full time training of individuals or units where the strength accountability and the command jurisdiction remain with the State authorities.

**2.4. Commuting Distance.** The duty station commander determines commuting distance.

**2.5. Constructive Travel Time.** Travel computation which results from the most traveled route between two points. Members normally will not board or depart a common carrier between 2400 and 0600.

**2.6. Vicinity Travel.** (Use of Privately Owned Conveyance (POC) Between Residence or Permanent Duty Station (PDS) and an Alternate Work Site Within the Local Area - Reference JFTR, paragraph U3505). Use of a POC is used for travel between a member's residence or the PDS, and one or more alternate work sites within the local area. Examples are listed in the JFTR. Refer to the JFTR, paragraph U3320, for travel to and from a common carrier terminal.

**2.7. Discharge.** The definitions in ANGRs 39-10 and 36-05 will be used for processing discharges.

**2.8. Active Guard Reserve (AGR) (Active Duty Status-Title 10, 32 USC).** Air National Guard members who are ordered to active duty or full time National Guard duty as defined in NGR (AF) 35-2.

**2.9. Order.** The procedure through which the members of the ANGUS enter the active military service.

**2.10. Call.** The constitutional authority that confers power on the Congress and the President of the United States to issue orders through the Governors of the States to bring into federal service such units and members of the Air National Guard as the President deems necessary to "execute the laws of the United States, suppress insurrection and repel invasion".

**2.11. Contingency, Exercise, Mobility (CEM) Orders.** CEM orders are generated to place members on TDY for contingencies, exercises, or mobility purposes.

**2.12. Active Duty Special Work (ADSW).** Duty tours in support of the NGB or the Air National Guard Readiness Center (ANGRC) for short duration projects or other administrative/support functions.

**3. Restrictions on Publication.** (Reference AFI 37-128, paragraph 1-3):

**3.1.** Only the National Guard Bureau, adjutants general, or ANG units can publish orders for the ANG or its members. ANG organizations of one state cannot publish orders that affect ANG organizations of another state without the consent of the NGB and governors concerned.

**3.2.** Orders are not to be published directing members to perform duty outside the states without the consent of the governor and individual concerned. The term "States" is defined as the 50 states, Puerto Rico, Virgin Islands, Guam, the District of Columbia, and U. S. territories.

**3.3.** Duty performed outside the States will be performed under Title 10 USC. Duty will not be performed in a military technician or inactive duty status. This paragraph will not be waived.

3.4. The NGB will publish orders granting and withdrawing federal recognition.

3.5. Participation in training without pay is authorized in accordance with NGR (AF) 50-1.

3.6. Individuals will not attend service schools in a nonpay military status.

**4. Orders Issuing or Approving Official.** The competent authority who determines the need for an order, requests its publication, justifies special authorizations, and approves claims for reimbursing items not authorized in the order or which require administrative approval. He or she furnishes adequate background material on request, or maintains it under rules in this instruction. This official must sign manually prepared orders or requests for composed orders. He or she need not sign computer generated orders as long as adequate controls ensure proper approval before orders are certified. The signature, computer generated signature block, or official stamp of the orders approving official or designated representative is sufficient to validate an order. The approving official is the authenticator.

4.1. Authority to Publish Orders. Commanders, down to and including unit level, State Adjutants General, or designated air representatives, may publish orders. Commanders may also authorize functional areas within a unit to publish orders.

4.1.1. Aeronautical Orders. The Chief, Flight Management Office (FMO), Host Operations System Management (HOSM), or designated representative.

4.1.2. CEM and Military Personnel Appropriations (MPA) orders and all P series orders. The Chief, CBPO, or designated representative within the CBPO.

4.2. The Offices of Primary Responsibility (OPRs) for various types of ANG orders are listed at attachment 3. As required, the OPR will provide functional guidance, supplement functional directives and answer questions relating to their orders.

#### 5. ANG Orders Heading - What to Include:

5.1. State status (Title 32 USC): include the state, publishing activity, and location. EXAMPLE:

ARIZONA AIR NATIONAL GUARD  
HQ, 162ND FIGHTER GROUP (ACC)

7. **ANG Orders Close.** (Reference AFI 37-128, paragraph 2.4.). Use the authority lines listed below for computer generated orders. Also, refer to table 1-1, notes 1 and 2, this instruction.

7.1. BY ORDER OF THE SECRETARY OF THE AIR FORCE

7.2. BY ORDER OF THE GOVERNOR

7.3. FOR THE ADJUTANT GENERAL

7.5. FOR THE COMMANDING GENERAL

7.6. FOR THE COMMANDER

8. **Numbering and Dating Administrative Orders.** AFI 37-128, paragraph 2.5.1. applies with these modifications:

8.1. IAOS generated orders are automatically numbered and dated.

8.2. Use the procedures in table 1, to assign the number, date, and series for orders not generated with IAOS. Information Management will assign the series and provide other necessary guidance.

8.3. Manually prepare orders in the IAOS format when IAOS is not operational for an extended time period. Input the manually prepared orders first when the IAOS becomes operational using the IAOS recovery program.

**9. Citing Authority for Publication.** (Reference AFI 37-128, paragraph 2.6.).

**10. Forms for Orders.** (Reference AFI 37-128, paragraph 2.7.). Refer to AFI 37-128 and other applicable instructions for publishing orders not generated with IAOS.

**11. Series of Special Orders.** Table 1 indicates the series to use for specific actions. Refer to table 1, note 3 for second letter prefix designations in IAOS.

**12. Language, Codes, and Abbreviations.** (Reference AFI 37-128, paragraph 2.9.).

**13. Information Required to Identify Personnel.** AFI 37-128, paragraph 2.10.1. applies with these additional comments. IAOS accesses the required personnel identification data. Follow paragraph 2.10.1. or other prescribing directives for orders not included in IAOS.

**14. Verbal Orders.** (Reference AFI 37-128, paragraph 3.1.).

**15. Changes to Orders - Amendments, Rescissions, and Revocations.** AFI 37-128, Section B, applies, with these additions:

15.1. Amend Annual or Special Training orders after the effective date, provided the new date will be in the same fiscal year. In cases where a verbal order is required, refer to AFI 37-128, paragraph 3.1.

15.2. Do not change an order to extend or shorten a tour of duty for a member of the ANG who becomes injured or contracts an illness while on a tour of duty. In such cases, a member could enter a "Continuation of Pay" status based on a "Line of Duty" determination.

15.3. Do not change an order to shorten or extend a tour of duty for ANG members unwillingly in place with a hostile force. In such cases, place the member in an active duty status to the nearest USAF organization and members will become the responsibility of the USAF. When no longer detained they will revert to their ANG status upon their return to home station.

**16. Corrected Copies.** (Reference AFI 37-128, paragraph 3.9.).

**17. True Copies.** (Reference AFI 37-128, paragraph 3-10.).

**18. Printed Information on Reverse of Orders.** (Reference AFI 37-128, paragraph 3.11.).

**19. Record Copies - Maintenance, Disposition, Retirement and Retrieval:**

19.1. Maintenance and Disposition. Each publishing activity must maintain and dispose of all record sets of their orders and background material according to AFI 37-133, volume 2, (formerly AFR 4-20, volume 2, table 10-3.) Archiving location will be as designated by the State Headquarters. Publishing activities are responsible for making sure that all orders are properly reproduced, distributed, maintained, and disposed of.

19.1.1. File the published copy of each order in numerical sequence by type and series. You may mark the file folders of record sets of orders "Record Set" to distinguish them from extra copies.

19.1.2. Requests for orders, amendments, etc., and coordinations, approvals, letters, messages, theater clearances, etc., are considered background material. File background material in separate folders from the record sets of orders. This will aid in destroying the requests on retirement of the record copy. Annotate the background material in the lower right-hand corner to show the order number to which it pertains.

19.1.3. Post each amendment, revocation, or rescission to the record set. Post in ink on the left margin of the original. If more space is needed, post in another obvious place without defacing the order. Include the type of action, and the number and year

of the special order, for example, "Amended-SO A-111, 1993."

19.2. Retirement and Retrieval. Retire and retrieve records in accordance with State instructions.

**20. Length of Orders and Continuation Lines.** (Reference AFI 37-128, paragraph 2.11.). An IAOS generated order is automatically published with a heading and page number and may be more than one sheet. Orders not generated by IAOS will be published in accordance with AFI 37-128, paragraph 2-11. Refer to ANGR 26-2 for orders pertaining to organizational actions.

**21. Paper Size, Margins, and Numbering.** (Reference AFI 37-128, paragraph 2.1.).

**22. Order Reproduction.** (Reference AFI 37-128, paragraph 4.1.).

**23. Orders Distribution.** (Reference AFI 37-128, paragraph 4.2.). ANG authentication offices will establish their minimum distribution requirements.

**24. Command Actions, Assumption of Command, Appointment of Commanders, and Opening and Closing of a Headquarters.** (Reference AFI 51-504). EXCEPTION: A Governor appoints commanders without regard to seniority.

**25. Organizational Actions.** The State controlled units are those ANG units not on Federal duty; hence, the Governor of the state, as Commander-in-Chief, is responsible for the promulgation of orders announcing organizational actions. Authority is Title 32 USC 104, and ANGR 26-2. An establishment is considered an Organizational Management Action, not an Organizational Action. There is no requirement to publish orders implementing organizational management actions, but states may establish such procedures if desired. Such actions are not within the intent of Title 32 USC 104(c).

25.1. Designations, Activation, and Assignment. Include title of unit designated, station, unit of assignment, gaining command, effective date, and authority. EXAMPLE:

**Figure 3. Designations, Activation, and Assignment of a Unit.**

NOTE: ANGRC/XPMR will initiate action to issue NGB Form 5, Federal Recognition Certificate, upon receipt of State orders activating the unit and receipt of the completed NGB Form 113a, Report of Inspection for Federal Recognition. The actual date of Federal recognition as documented in Section IV, 20b of the NGB Form 113a must be cited in the orders as the effective date of activation.

25.2. Redesignation. Include old and new unit designation, station, unit of Commanders, and closing and opening of a Headquarters. See assignment, gaining command, effective date and authority. EXAMPLE:

Unit will continue in assignment to Headquarters, Tennessee Air National Guard. Authority: Titles 10 and 32 USC; ANGR 26-2; Ltrs DAF/MO 331r, 29 May 92, and ANGRC/XP, 5 Jun 92, Subject: Redesignation of the 228th Tactical Combat Communications Squadron".

**Figure 4. Redesignation of a Unit.**

NOTE: State orders should be published and distributed upon receipt of ANGRC/XPMR Organizational Action Letter (OAL). Both the DAF/MO letter and the OAL letter must be cited in the order. ANGRC/XPMR will forward the NGB Form 5a, Redesignation Certificate, following receipt of the order.

25.3. Assignment. Places a unit with an existing military organization. Include title of unit assigned, designation of unit to which assigned, station gaining command, effective date, and authority. EXAMPLE:

**Figure 5.1. Relieved From Assignment of a Unit.**

NOTE: If a unit assignment is changed and is not in conjunction with an Activation, Inactivation, Redesignation, or Change of Station, it will not appear on the Air Force Schedule of Changes (SOC). ANGRC/XPMR is not required to accomplish an Organizational Action, but would be required to do a PAS Action to change the PARENT PAS of the effected unit.

25.4. Inactivation. Include designation of unit subject to inactivation, station, disposition of personnel, equipment, unit allocations, effective date, and authority. EXAMPLE :

"The 101st Weather Flight, Otis ANGB, MA, is inactivated effective 16 Dec 92. Assign personnel in accordance with instructions furnished. **Figure 6.1. Inactivation of a Unit.**

25.5. Reorganization/Realignment. An Organizational Management Action is an action affecting the internal structure of a unit. This includes realignment and reorganization not accompanying a mission of an establishment. The addition, deletion, or movement of functions or components, if not accompanying a mission change of an establishment, is considered an organizational management action, not an organizational action. There is no requirement to publish orders implementing organizational management actions, but States may establish such procedures if desired. Such actions are not within the intent of Title 32 USC 104(c).

25.6. Attachment. Places an establishment, a unit, or part of a unit with a military organization other than its parent organization, without making it a part of that organization. An establishment, unit or part of a unit may be attached for operational control, administrative control, and/or logistic support. Include designation and station of unit subject to attachment designation and station of major unit to which attached, purpose of attachment, effective date, and authority. EXAMPLE:

"The 553rd Air Force Band, with station at Harrisburg International Airport, PA, is relieved from assignment to the 193rd Special Operations Group, same station, effective 30 Sep 90, and is assigned to Headquarters, Pennsylvania Air National Guard effective 1 Oct 90, with attachment to 193rd Special Operations Group for support. There will be no change in authorized strength of station. Concurrent with this action, the 193rd Special Operations Group will continue to furnish CBPO,

fiscal and logistics support. Command supervision, administration and scheduling will be assumed by the new organization of assignment. Authority: Titles 10 and 32 USC, and ANGR 26-2.

**Figure 7. Attachment of a Unit.**

NOTE: If an attachment is changed and is not in conjunction with an Activation, Inactivation, Redesignation, or Change of Station, it will not appear on the Air Force Schedule of Changes (SOC). ANGRC/XPMR is not required to accomplish an Organizational Action or a PAS Action.

25.7. Federally Mobilized ANG Units. Federally mobilized ANG units remain allocated to the State and will upon being demobilized revert to the control of the State. In the event of Federal mobilization, publish orders in accordance with policies and instructions set forth in AFR 28-5, using gaining command supplements and this publication. If only operational control of mobilized ANG personnel by the gaining MAJCOM is exercised and administrative controls remain with the ANG, publish orders utilizing the format in attachment 1.

25.8. Demobilization. Include designation of unit(s) subject to demobilization, authorized strength, station assignment, unit of assignment (when applicable), gaining command, effective date, and authority.

NOTE: To publish orders, format them in accordance with state authority and statutes. For demobilization of ANG personnel where only operational control was exercised by the gaining MAJCOM and administrative controls remained with the ANG, publish orders utilizing the format in attachment 2.

25.9. State Duty. Include designation of unit(s) called to State duty, purpose of call, days authorized, effective date of call, date of release, and authority.

25.10. Change of Stations. Include unit designation, current station, new station, gaining command, effective date, and authority. EXAMPLE:

"The 145th Communications Flight, North Carolina Air National Guard, Charlotte Air National Guard Base, Charlotte, NC, is transferred to the Badin Air National Guard Station, P.O. Box 263, Badin, NC, with no change in gaining command (ACC) effective 1 Jun 92. Unit will continue in assignment to

Headquarters, North Carolina Air National Guard. Authority: ANGRC 26-2; and NGB Ltr dtd 25 Jul 92, Subject: OAL 91-07, Change in Station - 145th Communications Flight."

**Figure 8. Change of Station.**

NOTE: State orders should be published and distributed upon receipt of the ANGRC/XPMR Organizational Action Letter (OAL). The OAL letter and number must be cited in the order. ANGRC/XPMR will initiate action to issue NGB Form 5b, Change of Station Certificate, upon receipt of State orders.

26. Award of Individual Decorations. Publish orders for State awards according to State statutes. Publish orders for Federal awards according to AFR 10-7, paragraph 2-10.

27. Memorialization Program and Dedication Ceremonies. (Reference AFR 10-7, paragraph 2-12).

28. Unit Awards and Decorations. Publish orders for State awards according to State policy. Publish orders for Federal awards according to AFR 10-7, paragraph 2-13.

29. Ordering ANG Personnel to Active Duty. ANG personnel who go on extended active duty in accordance with AFRs 28-5, 35-41 Vol 4, 45-21, and 45-26, require orders in accordance with AFR 10-7, paragraphs 2-15 or 2-16.

30. Temporary Duty and Travel. AFR 10-7, paragraphs 2-21 through 2-30 apply to the ANG with these modifications.

30.1. IAOS generated travel orders need not reflect "APPROX NO. OF DAYS OF TDY" or "PROCEED O/A". (Reference AFR 10-7, figure 2-2, items 10a and 10b).

30.2. Air National Guard personnel are not placed on funded TDY (including travel time to and from) at any one location for more than 139 days in accordance with the JFTR, chapter 7.

30.3. Do not publish permissive TDY orders for ANG personnel performing Active Duty Training (ADT) or Inactive Duty Training (IDT). Do not grant ANG military technicians permissive TDY for

morale, welfare, or recreation activities as defined in AFR 36-26 and ANGR 215-1.

30.4. Contact the Accounting and Finance Office servicing the home unit to determine the appropriate fund citation for "Return to Duty Travel" of ANG members.

30.5. Mission (MSN) and administration (ADM) travel codes and categories of travel required by AFR 10-7, figure 2-2, item 9, are not necessary for ANG units publishing orders.

30.6. Commanders will identify circumstances when locally funded special authorizations are permissible while attending a school in TDY status.

30.7. The orders issuing/approval official for IAOS generated orders will establish adequate controls to ensure the traveler has accomplished a cost analysis and is justified as more advantageous to the government or necessary for mission accomplishment.

**31. Variations In Itinerary.** (Reference AFR 10-7, paragraph 2-31, including notes 1 and 2).

**32. Classified Orders.** (Reference AFR 10-7, paragraph 2-32 applies with this modification.) IAOS is not to be used to generate classified orders, but may be used to make "True Extract" copies as defined in AFR 10-7, paragraph 1-18.

**33. TDY Travel of Personnel Performing Inactive Duty Training.** Members performing IDT away from their permanent duty station and whose TDY location is not within commuting distance receive travel per diem in accordance JFTR Chapter 7. casualty report and enters a Personnel Transaction Identifier 966 (PTI) into the Personnel Data System (PDS). 1. Use the command element FOR THE ADJUTANT GENERAL (CHIEF OF STAFF, or COMMANDING GENERAL) when legislative or regulatory authority to publish is vested in the State Adjutant General/Chief of Staff. Use the command element FOR THE COMMANDER, when publishing authority is further delegated by the Adjutant General to designated units.
2. If under State Statute, use the appropriate command and signature element.
3. Non IAOS users may add a second or third letter if there is a need to further identify a series by the preparing office, unit, or type of action. DO NOT use "AC" as a series designator, as it is reserved within IAOS for Federal orders.
4. Rule 13, Ferrying Aircraft, cite 10USC672d when aircraft are transferred in behalf of the Active Force or from the manufacturing point to the unit assuming accountability. When aircraft are ferried between unit and depot or between states, cite 32USC503.
