CNGBI 0800.02
09 June 2017

GENERAL OFFICER AND SENIOR EXECUTIVE SERVICE OR EQUIVALENT TRAVEL OUTSIDE THE UNITED STATES, ITS TERRITORIES, AND ITS POSSESSIONS

References: See Enclosure B.

1. Purpose. This instruction establishes policy and assigns responsibilities for National Guard (NG) General Officers (GOs), Senior Executive Service personnel or equivalent civilian members, hereafter referred to collectively as “NG Senior Leaders” (NGSL), traveling abroad on official business, outside the continental United States and its Territories or possessions hereafter referred to collectively as “U.S. areas,” in accordance with (IAW) references a through n.
2. Cancellation. None.
3. Applicability. This instruction applies to all NGSLs traveling outside U.S. areas on official duty connected to NG activities.
4. Policy. It is National Guard Bureau (NGB) policy to provide oversight of NGSL travel outside U.S. areas, limit the number of passengers traveling to the same site, and reduce the number of travel days per trip to the minimum necessary to meet mission requirements.
 - a. Title 10 (T10) Status. Military members traveling outside U.S. areas on official business must travel in a T10 Status and must be on continuous orders.
 - b. Civilians and Other Personnel. NG civilian personnel traveling outside U.S. areas on official business must be an existing member of the NG Title 5 (T5) or NG T10 Defense Civilian Intelligence Personnel System. Guard Bureau (CNGB) must comply with agency agreements if travel cannot be paid through NGB appropriated funds.

c. Leave in Connection with Travel. Official travel outside U.S. areas, which incorporates leave days, for example, coming off orders while on duty outside U.S. areas only to regain military duty status for return travel, is not authorized for GOs on orders for less than 30 days. Allowing an official military traveler to lose and regain their T10 status while outside U.S. areas affects the protections and applicability of various Status of Forces Agreements and reference m. Notwithstanding the foregoing, temporary duty in connection with leave is governed by references h and i.

d. The Adjutants General (TAG) Use of Military Air (MILAIR). Use of MILAIR for official travel must follow criteria IAW reference a. Approval for TAG use of MILAIR resides with the CNGB, who may delegate this authority to the Vice Chief of the National Guard Bureau (VCNGB) and the Director of the National Guard Bureau Joint Staff (DNGBJS).

e. NGB Staff and NG Joint Force Headquarters – State (NG JFHQs-State). NGSs assigned to, or under operational control (OPCON) of any NG organization, will submit travel requests not less than 30 days prior to the date of travel using NGB Form 402, “National Guard Bureau General Officer OCONUS Travel Request,” located at reference n. Travel requests must contain the following:

(1) Travel orders for all personnel traveling outside U.S. areas and Invitational Travel Authorization (ITA) for spousal travel (if applicable).

(2) Daily agenda (detailed) and detailed spousal agenda (if applicable).

(3) Formal invitation or letter of justification/explanation for travel outside U.S. areas and justification for spousal travel IAW guidance set forth below (if applicable).

(4) Approved Aircraft and Personnel Automated Clearance System for travel outside U.S. areas. Maintain country specific medical assessment for a period of one year after travel.

(5) Documentation of all required threat briefings prior to traveling outside U.S. areas.

(6) Commercial Travel Itinerary (if applicable).

(7) DD Form 2768, “Military Air Passenger/Cargo Request” (if applicable) for MILAIR requests.

(8) Country Clearance, Theater Clearance, or Special Area Clearance.

f. Dependents Accompanying Department of Defense (DoD) Personnel on Official Business Traveling via Commercial Air Transportation. A dependent spouse generally is not permitted to accompany a DoD sponsor traveling on official business at government expense. However, on a case-by-case basis, the CNGB may approve spousal travel at government expense IAW references h and i under the following conditions:

(1) Spouse participates, in an official capacity, at an unquestionably official function.

(2) The travel is in the national interest because of diplomatic/public relations benefit to the U.S., which requires the spouse's presence in a non-participatory role. Participation ordinarily is limited to spouses and is representational in nature.

(3) Travel is allowed on a mission noninterference basis only, and must be supported with an ITA that ordinarily authorizes reimbursement of only transportation costs.

(4) The CNGB may authorize transportation, per diem or other actual expense allowances if the individual's travel is unquestionably mission essential and there is a benefit for DoD beyond fulfilling a representational role.

g. Dependents Accompanying DoD Personnel on Official Business Traveling via MILAIR. Generally, the spouse of the DoD sponsor may not travel on government aircraft without reimbursing the government for such travel unless the DoD sponsor determines in advance that, in his or her judgment under the circumstances, the spouse's presence would further the interest of the NG.

h. Nonreimbursable Travel. Nonreimbursable travel is allowed on a mission noninterference basis only and at no additional cost to the government. Such travel must be supported with an ITA that authorizes reimbursement of transportation cost only, not to include per diem or other expenses. Nonreimbursable travel on government aircraft is permitted when the spouse travels to:

(1) Attend a function in which the DoD sponsor is participating in his or her official capacity and in which the spouse is to address those assembled or otherwise play an active role and visible part.

(2) Attend a function (with or without the DoD sponsor) attended by spouses of community leaders, government officials, foreign dignitaries, or foreign military officers with whom the Sponsor is meeting in his or her official capacity.

(3) Attend a function (with or without the DoD sponsor) where a substantial portion of those present are military families or where the focus is on matters of particular concern to military families.

i. Additional Requirements. Submit NGSLs outside U.S. areas travel requests not less than 30 calendar days before the date of travel. Consider exceptions on a case-by-case basis and accompany exceptions with Letters of Lateness or justification from TAG. A letter of justification from TAG is required for any travel party exceeding five personnel.

j. Required Coordinating Responsibility. Submit NGSL travel requests outside U.S. areas through the Office of the DNGBJS (NGB-ZB). The NGB Joint Staff Chief of Staff Office (NGBJS-CoS) will coordinate with the following offices:

(1) Joint Intelligence Directorate (NGB-J2).

(2) Strategy, Policy, Plans, and International Affairs Directorate (NGB-J5).

(3) Office of the NGB Chief Counsel Office (NGB-JA).

k. Exception to Policy.
